NPN VRY / NPN FREE GRAINMIX

NUTRI FEEDS

KLAS: KONSENTRAAT HERKOUERVOEDSEL (NPN VRY)

Grainmix is 'n NPN-vrye energiekonsentraat vir herkouers met 'n proteïeninhoud van 80 g/kg en vergelyk met graan;

- Geen verdere vermenging is nodig nie;
- Voer as 'n energie aanvulling teen 1% van liggaamsmassa per dag na 'n aanpassings periode van 10 tot 14 dae;
- Die produk kan ook in voer vermeng word soos voorgeskryf deur 'n gekwalifiseerde voedingskundige.

CLASS: CONCENTRATE RUMINANT FEED (NPN FREE)

Grainmix is an NPN-free energy concentrate for ruminants, with a protein content of 80 g/kg, and comparable to grain;

- No further mixing is required;
- Feed as an energy supplement at 1% of body weight per day after an adaptation period of 10 to 14 days;
- The product can also be mixed into feed as prescribed by a qualified nutritionist.
