NUTRI WILD / GAME ONDERHOUDSKORREL / MAINTENANCE PELLETS

KLAS: VOLLEDIGE ONDERHOUDSVOER VIR HERBIVOORWILD

Nutri Wild Onderhoudskorrel bevat 10% natuurlike proteïene en is geheel vry van NPN-bronne:

- Die produk is geskik vir die onderhoud van enige tipe herkouer wild teen onderhoudsvlakke tydens droogte of tye van voerskaarste soos ervaar word tydens die droë seisoen;
- Dit beperk die verlies aan massa ten einde kondisie en dus reproduksie in stand te hou;
- Die produk is beskikbaar in korrelvorm vir maklike gebruik asook om vermorsing en vertrapping te beperk;
- Die produk bevat Biotien (Vit H) teen 'n minimum insluiting van 0.36 mg/kg.

Aanbevole daaglikse inname en voeraanwysings:

CLASS: COMPLETE MAINTENANCE FEED FOR HERBIVORE GAME

Nutri Game Maintenance Pellets contains 10% natural protein and is completely free of NPN sources:

- The product is suitable for maintaining any type of ruminant game at maintenance levels during drought or in times of feed scarcity, as experienced in the dry season;
- It limits the loss in weight in order to maintain condition and therefore reproduction;
- The product is available in pellet form for ease of use and to limit waste - age and trampling;
- The product contains Biotin (Vit H) at a minimum inclusion of 0.36 mg/kg.

Recommended daily intake and feeding instructions:

DIER	INNAME AS % VAN LIGGAAMSMASSA / INTAKE AS % OF BODY WEIGHT (g/kg)	ANIMAL
Groot diere	1.4 - 2.4	Large animals
Medium groot diere	2 - 2.6	Medium sized animals
Klein diere	2.6 - 3.5	Small animals
Baie klein diere	4 - 6	Very small animals

Die voer kan ook op 'n *ad lib.* basis aan weidende wild voorsien word. Voer saam met beskikbare blaarvoeding, weiding of ruvoer.

Inname riglyne vir herbivoorwild is as volg:

The feed can also be provided *ad lib.* to grazing game. Feed together with available foliage, grazing or roughage.

Intake guidelines for herbivore game are as follows:

SAMESTELLING 50 kg sak	(g/kg)	COMPOSITION 50 kg bag
Proteïene (min/maks)	100 / 120	Protein (min/max)
Vog (maks)	120	Moisture (max)
Vet (min/maks)	25 / 70	Fat (min/max)
Vesel (min/maks)	60 / 150	Fibre (min/max)
Kalsium (maks)	20	Calcium (max)
Fosfor (min)	3	Phosphorus (min)
VITAMIE	(mg/kg)	VITAMIN
Biotien (min)	0.36	Biotin (min)
